

January 2024

REACH DECLARATION

We hereby confirm that we are aware of the EU Regulation EF No 1907/2006 REACH.

Of the materials and excipients as Hougaard & Koefoed uses and is also subject to REACH, Hougaard & Koefoed do not qualify as a "downstream user". Thus, we should not pre-register any products.

Hougaard & Koefoed continuously acquires the necessary information from our suppliers to meet our obligations according to REACH. This information collection is initiated. If there are any changes to the products that we buy concerning REACH, and the changes will have an impact on our customers products, we will pass this information downstream to our customers.

Substance of Very High Concern (SVHC) –Annex XIV

As of June 10, 2022, ECHA (<http://echa.europa.eu/candidate-list-table>) has placed 1 new substance in the Candidate List of Substances of Very High Concern (SVHC) for authorization. Any SVHC must not be used, manufactured or imported without the prior authorization of the ECHA.

The "candidate list" will be updated and published periodically by ECHA as more substances are identified as SVHC. Hougaard & Koefoed declares that the products we manufacture do not contain any of the substances which is included in the list of SVHC substances.

Sincerely

Hougaard & Koefoed as

René Storgaard
Quality Manager
